

There's always tomorrow for me to do my best
Right now I'm kinda tired so I'm going home to rest

Tomorrow I'll be better Coach, I know that for a fact
I'll make up for the effort that today you think I lacked

It's only just one practice, one game or just one race
I'll give you more tomorrow Coach, so just get off my case

There's still a lot of season left and time for me to shine
Awards to win and accolades I plan on making mine

Just not right now, I'm kinda tired; not feeling it today
Who's it really gonna hurt if I leave instead of stay?

But what if your tomorrows suddenly end tonight?
Will you regret your choices or will you be alright?

Will you have given all you've got and gone the extra mile
to make your parents proud of you and make your own heart smile?

Or will you live with doubt, regret, and maybe even sorrow
wishing that you lived today like there's no more tomorrow?
