

DO YOU HAVE A SUPPORTSMANSHIP PLAN?

WON80 CAN HELP!

SUPPORTSMANSHIP

A consistent, positive culture where everyone in the athletic community supports student-athletes' growth and commit to enhancing the experience for all involved.

WON80 is a grassroots movement I started in 2015 with a mission to lead a return to sportsmanship through awareness, education and inspiration. To date, I have been privileged to share my message with 120+ schools, 14 athletic conferences and 10 organizations. WON80 has been recognized at the state and national levels for exemplary programming and practices. I would welcome the opportunity to develop a partnership proposal based on your program goals, priorities, timeline and budget. Let's move from sportsmanship to SUPPORTSMANSHIP - together!

When athletes reflect, they improve.

When teams reflect, they connect.

When programs reflect, they become intentional about who they are and how they compete.

The **SUPPORTSMANSHIP** Resource Kit combines **Seeking SUPPORTSMANSHIP** with the **SUPPORTSMANSHIP GOLD** Reflection Deck to make reflection an intentional leadership habit. It provides coaches and student leaders with a simple system to build character, strengthen relationships, and make sportsmanship visible. In turn, this leads to:

- increased accountability and ownership
- stronger relationships across your program
- visible sportsmanship in practices and games
- student leaders and coaches who model the standard
- a healthier, more sustainable culture

REFLECT. LEAD. GROW.
